

Honor Roll Of Alumni Contributors

From April 1, 1968 To July 31, 1969

In the summer of 1968, the Alumni Board undertook a project to increase alumni donations to Saint Joseph's College by 50% over last year's total of \$32,000. A goal of \$47,000 was set with a deadline of March 31, 1969.

That the goal was exceeded by the deadline is due to the assiduity of several alumni, particularly those who worked on phone-a-thons, produced fund mailers, and those who organized intra-office campaigns and alumni chapter events. The figures in this report reflect the total alumni donations from April 1, 1968 to March 31, 1969 (the fiscal year of the alumni fund) plus an additional four-month period to July 31, 1969 (the end of the College's fiscal year). This adjustment was made in order that the Alumni Fund's fiscal year may hereafter run concurrently with the College's fiscal year, thus simplifying reporting and accounting. (The number of donations after the campaign deadline was insignificant, increasing the March 31 totals only slightly.)

ALUMNI FUND TOTALS		
FISCAL YEAR ENDING JULY 31, 1969		
	Number of Contributors	Amounts
Non-Fellow Alumni	697	\$17,083.84
Alumni Fellows	146	27,720.15
*Class Gifts	208	2,916.00
Total Alumni Gifts	1051	\$47,719.99
Matching Grants	56	\$ 4,787.09
Memorial Gifts	7	180.00
Special Gifts	5	452.14
Total Non-Alumni Gifts	68	\$ 5,419.23
Alumni Fund Total	1,119	\$53,139.22

* The class gift program has the participation of 243 alumni, all graduates since 1965, who annually deposit \$12.00 to an endowment fund managed by Continental Assurance Company of Chicago. In the figures above, only 208 are listed as contributors because 35 of the class gift participants also gave to the Alumni Fund by means of a regular contribution.

The College had at the time of this campaign approximately 2,800 graduates and another 4,000 former students who did not take degrees from Saint Joseph's, making for a total solicitation list of 6,800. About 15.5% of all former students gave to the College during the campaign, and approximately 25% of the graduates made a donation, very near the national average for small private men's colleges (despite Saint Joseph's young alumni body).

Saint Joseph's College and the Alumni Association wish to gratefully acknowledge those listed below who contributed to the 1968-69 Alumni Fund. (* Denotes Fellow)

REPORT ON CLASS GIFTS -- 1965-1968

Saint Joseph's graduating class of 1965 inaugurated a twenty-five year life insurance endowment program with Continental Life Assurance Company of Chicago whereby the class could raise a substantial amount of money to be used in making a gift to Saint Joseph's. The gift will be presented by the members of the class in 1990 on their silver anniversary as graduates.

Since 1965, Saint Joseph's other graduating classes have established their own programs with Continental. The College wishes to gratefully acknowledge those alumni now participating in these programs. Included with the honor roll is a progress report on the endowment fund for each class.
